Subject: RE: RAB Action Items

Mary Kay,

According to the minutes, the open action items for the last meeting are:

- . Mr. Syms to bring in map which shows the areas where the drums are buried on the NFSS.
- The Corps will run the ad asking for employees of the Niagara Falls Storage Site prior to 1986 to participate in voluntary interviews again to get a broader scope of people. Corps will also ask interviewees if they know of anyone who could be contacted for an interview.
- . Posters will be placed in the Ransomville, Lewiston and Youngstown Public libraries, and respective town halls to announce upcoming RAB meetings.
- Corps to provide briefing regarding the status of the buildings on the LOOW Site.
- Niagara County Health Department to identify availability of someone from the New York State Health Department to present information on future health studies.
- Corps to send letter to NYS Health Department regarding restraining order.
- Corps to address issue of ground scar.

We need to call P. Dicky about the restraining order to resolve that issue and you need to present about the ground scar and the buildings. Arleen

Last RAB Bill added slides to his presentation giving technical info related to RAB action items....

What are the RAB action items for this meeting???

Do you want me to prepare slides with technical info relating to the open action items?????

Mary Kay
